FAST TRACK YOUR CAREER WITH AN UNDERGRADUATE BUSINESS CERTIFICATE

Earning a professional certificate adds credentials to your resume. Even if you've already earned your degree, a certificate is a meaningful way to build and promote your skill set. Ranging from 9-21 credits, all of our business certificates may be completed in less than a year, 100% online.

BUSINESS CERTIFICATE AREAS OF STUDY:

- > **Accounting:** Designed for adults interested in beginning the study of accounting and obtaining entry-level accounting positions.
- > **Advanced Accounting:** Designed for adults interested in obtaining entry-level positions in accounting, or who are looking to improve their accounting knowledge.
- > **Business Management:** Designed to provide legal and financial skills to a person interested in entering a management position without a business or management background.
- > **Cost Accounting:** Designed for entrepreneurs, small business owners and others who need an introduction to the internal accounting needs of business.
- > **Forensic Accounting:** Designed for adults seeking a clearer understanding of accounting and IT internal controls and how weaknesses in these controls may be fraudulently exploited.
- > **Human Resource Management:** Designed for present and future human resources professionals who seek to hone their business and people skills.
- > **Organizational Development:** Designed to prepare you to successfully manage the new normal in organizations—constant change—and to understand how a dynamic, and sometimes volatile, work environment affects people.
- > **Project Management:** Designed to prepare project managers to plan, organize and manage resources to bring about the successful completion of specific project goals and objectives.
- > **Supply Chain Management:** Designed to provide business professionals with the expertise needed to design, implement and evaluate supply chain strategies.
